Date: 03 October 2023

### EMPLOYMENT CERTIFICATE

This is to certify that **MD. ASHIK IQBAL**, Son of MD. Rajob Ali and Ambia Begum has been serving Khulna Agricultural University as Lecturer at the Department of Mathematics and Physics of the Faculty of Agricultural Engineering and Technology since 04-07-2022. His primary responsibilities at the university are research and teaching.

To the best of my knowledge, he did not take part in any activities that were either against the law or the rules of the university. I wish him every success in his life.
